Rec'd CHIEF SECRETARY 17. NOV. 1942 GOVT. OF MYSORE.

SIR,

Subject:— Acquisition of lands - Krishnarajapuram - for the Advance Base Supply Depot.

With reference to your memo Nos. 1453/W dated 2-9-1942 and 1900/W dated 20-10-1942 approving of the proposals for the acquisition of lands re. the above, I have the honour to forward herewith copies of the detailed reports (Nos. B1-539/42-3 dated 17-10-42 and B1-545/42-43 dated 20-10-42) received from the Sub Division Officer and Civil Officer, Bangalore in this connection.

It is reported that in addition to the area already approved to be taken for the actual ordinance Depot and the construction of the approach road etc., a further extent of 28A 33G and also two buildings have been taken up for the personnel of the Depot as stated in the report (page 3 para 2 and 3). The action of the Sub Division Officer in having allowed these areas to be utilized by the military authorities may kindly be approved.

The Sub Division Officer has fixed a total compensation of Rs 13,630-6-0 in respect of the entire areas on a lease basis for the current year. The rates proposed by him are reasonable and may be accepted.

The area that may become permanently unfit for cultivation will have to be acquired later on. The exact area coming under permanent acquisition will be ascertained in consultation with the Military Authorities and action taken in due course for permanent acquisition.

In the meanwhile, I request that the total estimated cost of

pto

of compensation may kindly be arranged to be paid in consultation with the Residency.

I have the honor to be,
Sir,
Your most obedient servant,

Revenue Commissioner &
Civil Liaison Officer.

Copy of letter No. B1-539/42-43 dated 17th Oct. 1942 from the Sub-Division and Civil Officer, Bangalore, to Major John Stubbs, D.A.A. & Q.M.G., Head Quarters, Bangalore Area, Bangalore.

Subject: Re: Casurina Grove to the north of the Tile Factory in the Madras Road, near Krishnarajapur Railway station required for the Ordinance Depot.

In pursuance of your desire to take up urgently the above Casurina ~~Kxx~~ grove which was being cut by the owner, I instituted an enquiry and ascertained that the area consisting of 2 - plots belonging to two different persons measures 9-26 G. including a phut kharab of 9 guntas, of which an extent of 6-3 is covered with casurina and 3-14 is sown with Horse gram. The casurina trees are of different ages and they are valued at different rates accordingly to their growth and the present market rates.

2. A crop compensation of Rs 20/- per acre is fixed for the Horsegram. According to this calculation excluding the value of 40 trees already cut and permitted to be removed by the owner, the total compensation payable for the current year comes to

(i)	Casurina trees	Rs	~~1,532-8-0~~ 1482-8-0
(ii)	Crop compensation		67 0 0
			1,549 8 0

The persons who have cultivated the lands with the above crops have agreed to place the lands at the disposal of the military subject to the payment of compensation.

Letter No. B1-545/42-43 dated 20th Oct. 1942 from the S.D.O. and Civil Officer, Bangalore, to the RevenueCommissioner in Mysore, Bangalorre.

Subject: Acquisition of lands - Krishnarajapuram.

With reference to your memo No.C.L.O.34/42-43 dated 5th Sept. 1942, communitating for further action and report, sanction of Government for the acquisition of lands near Spicers' College, Krishnarajapuram, Railway Station, for the Advance Base Supply Depot I have the honour to state as follows:-

As per the decision of the Sitting Board which sat for the selection of lands at the spot on 25-9-42, a larger extent of land including some new casurina groves was decided to be taken up. According to this expanded scheme, investigation was conducted and the consent of all the available persons owning the lands was also taken. The entire scheme, as it stands now, will be on lease basis for the current year.

In some of the areas coming, however, under this scheme, Rail way line and sidings are being put up with deep cuttings which ren der the land useless for further agrucultural purposes. These lands which will be separately marked and mapped will have to be permanently acquired. The owners of these lands which will thus be disfigured have expressed a desire in the muchalika obtained from them on 11-10-42 that when these lands would be vacated by the Military after the War, their claims may be considered in preference to others to get back their lands on favourable terms. This seems to be a reasonable request. As soon as the excavation of the card line is completed, the exact area coming under permanent acquisition will be fixed up and Declaration Statements submitted for orders of Government.

The total extent of land to be taken for the actual Ordinance Depot situated in different villages as detailed below:

	Acres.	Guntas.
1. Binnaganahalli (Sirkar) ..	10	18
2. Vijanapura (Jodi) ..	166	35
3. Kowdenahalli ." ..	40	24
Total ...	217	37

The details of crop and the compensation payable are estimateed

as follows:-

	A.	G.	
1. With standing crop of Ragi.	157	15	@ Rs 35/- - 5,508 2 0.
2. Lands prepared for Horse Gram cultivation.	9	17	@ Rs 20// 188 8 0
3. Land allowed to lie fallow.	6	3	double the assessment 16 8 0
4. Lands covered with casurina	33	24	5,811 14 0
5. Kharab (Stone Quarry)	0	31	
Phut kharab	10	17	No compensation claimed
Village site	0	10	
	217	17	Rs 11,525 0 0

In addition to the usual rate of Rs 30/- per acre, an additional sum of Rs 5/- per acre si provided for all the lands under Ragi, as the ryots were deprived of their crops when they were just ripening.

As regards Casurina, the trees are classified under different rates viz. Rs 0-4-0 and Rs 0-1-6 each according to their respective age and growth. Since it is not possible to acquire only the land covered by these trees which cannot be taken care of by the owners when they are actually under military occupation, the present proposal is to acquire the right for the trees also. The actual compensation for the ak land covered by causrina is not proposed for the current year.

In addition to this, 3 more ~~acres~~ areas are also requisitioned for viz.,

1. Land required for the approach road from the Main Madras road to the Ordinance depot with a new level crossing comes to nearly 37 - guntas belonging to different persons,

2. Another proposal recently made by the Head Quarters, Bangalore Area (vide this office let. No.B1-539/42-43 dated 19-10-42 in respect of the Road mentioned in no.I supra. this area is claimed to be for the the casurina tope behind the Tile Factory to the left ~~of the~~ personnel of the Ordinance Depot. The total compensation due on the lands measuring 9 acres 26 guntas including the casurina tope is Rs 1549-8-0.

3. Out of 19-7 guntas, an extent of about 11 acres of agriculutral land with 2 buildings belonging to retired Capt.Joseph of Krishnarajapur opposite to Spicer's College, has been taken up since May, 1942. Now it is found that the netire area of 19 Ac. 7 guntas is being made use of by the Ordinance Deport. The compensation due to Capt. Joseph is

Joseph is

1. for lands at Rs 20 as the land was not cultivated then	Rs	383	8	0
2. for two buildings at Rs 10 per month for 14 months from May 42 to the end of June 43,		140	0	0
Total		523	8	0

To

The sum up, the total compensation on the present known claims for the year 42-43 in respect of all the areas taken up for the Advance Base Supply Depot near Krishnarajapuram Railway Station is as follows:-

1. Lands in Jodi Vijanapur etc.,	Rs	11,525	0	0
2. Approach Road		32	6	0
3. Casurina Tope near the tile Factory		1,549	8	0
4. Capt'. Joseph's lands.		523	8	0
Total		13,630	6	0

If the above proposals meet with your approval, early arrangements may kindly be made for the payment of the amounts.
